INSURANCE & LIABILITY

Each participating boat shall be insured with adequate, valid third-party liability insurance for the duration of the Regatta. RRS 4 states: 'The responsibility for a boat's decision to participate in a race or to continue racing is his/hers alone.'

Neither the organizing authority, the race committee, jury, nor any official sponsor of the regatta accepts any responsibility for the loss of life or any other injury to participants or other, or loss of, or damage to any vessel, however caused, and as a condition of entry the entrant accepts that the management and safety of his/her yacht before, during and after the regatta is his/her sole and inescapable responsibility. As a condition of entry the entrant acknowledges that he/she holds a valid insurance certificate and agrees to inform his/her crew of these undertakings.

At final registration all participating yachts at GSW will be required to produce a copy of their Insurance Certificate. GSW will check the said insurance certificate to ensure its validity throughout the duration of the event. Boats without the requisite insurance for participation in the event will not be allowed to take part in the event.
