NEVER STRAIGHT

It is said the shortest distance between two points is a straight line. But at sea, charting any course comes with a slew of uncontrollable factors. The winds, the currents, the swell... Only the strongest will, the keenest experience and a sharp intuition can overcome such overwhelming powers. Only by keeping the highest expectations and harnessing the deepest resources can one chart a course between where one is and where one aims to be. There is very little chance it will ever be a straight line. Yet more often than not, it will be the right one.

INTRODUCTION BY JAMES NEVILLE - COMMODORE RORC

Dear *Competitor*

On behalf of the Royal Ocean Racing Club I am delighted to invite eligible boats to race in the 50th edition of the Rolex Fastnet Race starting on Saturday the 22nd July 2023.

The Rolex Fastnet rightly has a reputation as the pre-eminent offshore race in the world, with a heritage stretching back to 1925. That first race led directly to the formation of our Club and it has taken place biennially since 1931. I am personally looking forward to, once again, skippering one of the 400 plus IRC boats or so setting off from the familiar Yacht Squadron start line, voyaging into the Celtic Sea and around the iconic Fastnet Rock.

For the second time, we will be finishing in the historic French town of Cherbourg, where we expect a warm, Normandy welcome. Hopefully, this time, without any COVID restrictions, you will be able enjoy the free berthing, wonderful local cuisine and superb entertainment that our French colleagues will be providing for the teams.

Completion of a Rolex Fastnet Race qualifies you for membership of the RORC which is available to competent offshore yachtsmen and yachswomen who have completed 500 offshore racing miles. RORC members are able to wear all Seahorse insignia. You will receive a monthly subscription to Seahorse magazine and many other membership benefits including:

- **Use of our London Clubhouse and Cowes Clubhouse.**
- **Discounted RORC race entry and IRC certificates and other exclusive member's offers.**
- **Annual programme of social events including Cowes Week events and our Annual Dinner and Prize Giving.**
- **Introductory letters to overseas yacht clubs and much more...**

For more information, or to apply for membership, please contact the RORC Membership Secretary in London. I do hope you choose to join us on the start line in August

Best wishes,

James Neville

Protocols relating to COVID-19 may be published at any time and will state if they have the status of a rule.

2.2 English Law

This Notice of Race, and the terms of the contract created by the acceptance of a boat's entry in any race or event governed by this Notice of Race, shall be governed by and construed in accordance with English law. Any dispute which cannot be resolved under Part 5 of the Racing Rules of Sailing shall be referred to the exclusive jurisdiction of the English Courts.

2.3 Racing Rules of Sailing

The rules as defined in the Racing Rules of Sailing (RRS) (www.sailing.org/inside-world-sailing/rules-regulations/racing-rules-of-sailing/)

2.4 National Authority Prescriptions

The prescriptions of the RYA will apply (<https://assets.rya.org.uk/assetbank-rya-assets/action/directLinkImage?assetId=47811>)

No other National Authority prescriptions shall apply.

2.6 2022-2023 World Sailing Offshore Special Regulations (OSR)

The World Sailing Offshore Special Regulations Category 2, with RORC Prescriptions (available from the documents section of the rorc.org website). When details of Special Regulations cannot be met the Organising Authority may accept an alternative.

2.7 World Sailing Test Rule DR21-01 applies

The RRS definition of "Start" is changed as follows: Start: A boat starts when her hull having been entirely on the prestart side of the starting line, and having complied with rule 30.1 if it applies, any part of her hull crosses the starting line from the pre-start side to the course side either;

(a) at or after her starting signal, or

(b) during the last 60 seconds before her starting signal.

When a boat starts in accordance with item (b) of the definition Start, she shall not return to the pre-start side of the line, and the starting penalty shall be 120 minutes added to her elapsed time. RRS 29.1 does not apply.

2.8 International Regulations for Prevention of Collision at Sea

Except when changed in the Sailing Instructions, the rules of RRS part 2 are replaced by the right-of-way rules of the International Regulations for Preventing Collisions at Sea (IRPCAS), or by government right of way rules, at night*. A boat may take a time penalty as specified in the Sailing Instructions when she may have broken a rule while racing.

*For the purposes of the Rolex Fastnet Race 2023, 'night' is defined as the end of nautical twilight fixed at 22:40 (BST) and the beginning of nautical twilight fixed at 04:15 (BST) the next day, to prevent confusion with regional time differences.

Each boat shall exercise her responsibility under RRS Fundamental Rule 3 and decide whether or not to start or to continue to race.

4.5 Race Declaration(s)

No boat will be accepted as an entry unless the Person in Charge has, before the start of the race, signed a declaration in the terms set out in NoR 9.3 below. The RORC reserves the right to require a signed declaration, in the terms set out in NoR 9.3 below, from each crew member.

4.6 Safety and Lifesaving Equipment

Crew members' attention is drawn to RRS 1.2 Life-Saving Equipment: "Each *competitor* is individually responsible for wearing personal buoyancy adequate for the conditions." A combined Lifejacket and Harness shall be worn when on deck:

- Between the hours of sunset and sunrise
- When alone on deck
- When reefed
- When the true wind speed is 25 knots or above
- When the visibility is less than 1 nautical mile

5 ELIGIBILITY - THE BOAT

5.1 Suitability

The race is open to seaworthy boats which comply with the rules and regulations described in the Notice of Race and which are manned by an adequate number of experienced crew who are physically fit to face bad weather. The minimum crew on any boat shall be two. However, no person may race contrary to the terms of a ban imposed by the RORC, a National Authority or World Sailing.

5.2 Boat Size

There is no maximum size for boats in the Rolex Fastnet Race. The minimum size for monohulls is determined by their rating and their SSS/STIX & AVS numbers. The minimum size for multihulls is 9.15 metres/30ft (LOA) with a minimum MOCRA rating of 1.100. The Organising Authority may make exceptions on application.

5.3.2 Two-Handed Class

A Two-Handed Class within IRC will be available in the Rolex Fastnet Race. Boats will be eligible for both Two-Handed and IRC rating band class & overall trophies. IRC Rule 22.4.2 is deleted and replaced by “The maximum number of crew that may sail aboard a boat shall be the number shown on the certificate unless amended by 2.11. (above) There is no weight limit.” This provision overrides IRC Rule 22.4.1.

5.5 Automatic and Wind-vane devices for Steering

“It is great that a race as big as the Fastnet can benefit from that positive side of the French loving offshore racing. I’m sure the race village in Cherbourg will be amazing and I know the Brits like coming to France. I am excited to see what it is going to be like”

6 STABILITY AND SAFETY INDICES

In accordance with OSR 3.04.2 the RORC uses minimum stability/buoyancy indices. For boats competing under IRC either SSS or STIX and AVS indices are used depending on the series date of the boat (as per 6.1 below) and the category of the race. Monohull boats not racing under IRC shall satisfy the RORC that they meet the requirements of other stability indices for the category of the race. In exceptional circumstances the RORC may accept other indicators as to the suitability of the boat for the race.

6.1 SSS or STIX and AVS

Boats with series date of 1995 and later will be categorised under STIX and AVS only.
Boats with series date before 1995 may be categorised under either STIX and AVS or SSS.

6.2 Minimum Permitted Values

OSR CATEGORY	CATEGORY 2
STIX minimum	32
AVS minimum	$130 - 0.002 * m^1$
SSS minimum	28

¹ Where m is the boats Minimum Sailing Weight in kg.
More information about Safety and Stability Indices can be found at www.ircrating.org

7 ELIGIBILITY - COMPETITORS

7.1 Offshore Crewlist

An Offshore Crewlist complete with full *Emergency Contact* details and Immigration Information shall be supplied to the RORC by means of the *SailRaceHQ* entry system. The Person in Charge shall invite the crew through *SailRaceHQ*. Those not already registered will be able to create an account, complete their details, including *Emergency Contact* and Immigration Information, and accept the invite. The RORC will hold full details of each crew member and *Emergency Contact* for the race.

7.2 Experience Qualification

The Rolex Fastnet Race is not a race for novices. Every crew member must have experience of sailing a boat offshore and be prepared to encounter heavy weather. *Competitors* may be required to provide evidence of offshore experience. The minimum experience requirement is 300 nautical miles of RORC offshore racing on the boat entered into the race, completed by a minimum of 50% of the crew (but no fewer than 2) including the Person in Charge, and within 12 months of the start of the Rolex Fastnet Race. To fulfil this requirement the *Competitor* shall enter and complete an appropriate number of RORC races before the start of the race. When it is not reasonably possible to access RORC races, or in exceptional circumstances, an alternative method for qualification may be agreed by the RORC. Proposals should be lodged with the RORC as soon as possible after entry.

THE EVEREST OF YACHTING

"It doesn't really matter what level in the fleet you're at. As long as you have a good crew, and the right support, then you can win your class. And if you can win the class you can win overall, although that depends on things like tidal gates, wind conditions, things that are much more in the hands of the gods, I think."
