Amendment of June 10th 2021 to the 2021 Class40 Championship rules:
Clarification on the points count following the modification of the LSH event

The organizer of Les Sables Horta les Sables having announced the modification of its event by abandoning the stop in Horta due to sanitary constraints in favor of a loop of the same distance as the cumulation of the 2 legs initially planned, it is specified that the event will count as a single race in the Class40 2021 championship with the application of a coefficient of 3.

As a result,
ARTICLE 2 – PROGRAMM is modified as follows :
4 races will count for the 2021 Championship.
To each one, a coefficient determined by the Board of Directors, is applied:

- Normandy Channel Race 2021 Coeff 2
- Les Sables-Horta 2021 Coeff 3
- Rolex Fastnet Race 2021 Coeff 1
- Transat Jacques Vabre 2021 Coeff 4

All other clauses remain unchanged.
