

Amendment of June 10, 2021 to the Class40 Europe Trophy 2021 rules:

Clarification on the points count following the modification of the LSH event

Following the modification of the event by the Organizer, the stop in Horta is abandoned because of the sanitary constraints on the Archipelago in favor of a loop of the same distance as the cumulation of the 2 stages initially planned. It is however foreseen that an official ranking will be made in Horta by the Organizer. In this context, in order to keep the specificity of the Trophy with a sufficient number of races, all of the same importance (coefficient 1), a ranking will be established on the basis of time for each section:

- From Les Sables to the buoy in Horta ;
- From the buoy in Horta to Les Sables.

In addition, the Armen Race initially planned in the program of the Trophy has also been cancelled due to health constraints.

As a consequence,

ARTICLE 2 - PROGRAMME is modified as follows:

5 competitions are included in the Class40 European Trophy 2021 program:

- NORMANDY CHANNEL RACE
- LES SABLES HORTA (leg 1)
- Les SABLES HORTA (Leg 2)
- ROLEX FASTNET RACE
- 40 MALOUINE

ARTICLE 4 - RANKING PRINCIPLES - 1st Paragraph is modified as follows:

The ranking of the Trophy will be done by retaining the points obtained on the 4 best results in points of the 5 competitions listed in the program above.

Toutes les autres clauses demeurent inchangées.

All other clauses remain unchanged.
